

Part One Statement of Intent

The Management of Aimrange (North East) Limited looks upon the promotion of Health and Safety measures as a mutual objective for themselves and all their employees.

In accordance with the general duties imposed by the Health and Safety at Work etc. Act 1974, the Company appreciates the requirement to produce a written statement of its health and safety policy, its organisation and how it is implemented. The general statement stipulates the overall intention of Aimrange (North East) Limited to ensure so far as reasonably practicable, the health, safety & welfare of its employees whilst at work and to safeguard any other persons not in its employment, who may be affected by its activities.

The Company and its management accept that the responsibility and duties for health and safety are equal with those of any other function.

It is considered that the prevention of accidents, injuries and illnesses related work activities and damage to plant, equipment or property is an integral part of the Company's business.

The Company will ensure that adequate funds, staff and equipment are provided to meet health and safety requirements.

Authority is delegated & duties and responsibilities are assigned within the organisation and management structure of the Company, in order to implement this policy.

The Company will ensure so far as reasonably practicable, safe systems and safe places of work, safe machinery and plant, safe handling of substances and materials, the provision of welfare facilities and that all employees are given adequate and appropriate instruction, information, training and supervision.

Assessment will be carried out as prescribed by the relevant legislation in relation to the Company's various activities and the appropriate instructions for health and safety arrangements will also be implemented.

The attention of employees is drawn to their personal responsibilities for health and safety. It is emphasised to them that they must take due care for the health and safety of themselves and to ensure that other persons are not affected by their acts or omissions. They are also informed that they must co-operate with the Company in order that it can comply with legal requirements placed upon it and in the implementation of this policy.

The Company will make every effort to ensure compliance with the legislation, associated codes of practice and guidance notes relevant to its activities. Due note will also be taken of any changes and new developments applicable to its business.

Management will carry out safety inspections and audits on a regular basis to assist in monitoring the Company's safety performance.
